Produced by **B-Water Studios**

Sales Agent **Contact producer**

Aupa, Odo, Koke, Bing and Koma are born of children's drawings and come alive as 3D animated characters. They are living daily adventures in the home of 'the nice family'.

While the family is out of the house, the Crayons jump out of the drawings pinned on the walls and explore the universe of the household, full of discoveries and great adventures.

Any small item can turn into a miracle. No matter what our friends do together, any situation can escalate to epic dimensions!

Every Crayon is strongly attached to a typical children's emotion or state of mind and as children's drawings are not perfect, the characters are just authentic misfits. But nobody is perfect, and imperfect is fun!

After spending a long time locked inside his tower in the search of knowledge, the Wizard arrives at a cliff to manipulate ancient symbols in a magic ritual which ends up merging his body with an owl.

United, they travel through the four elements of nature: fire, earth, water and air, becoming flames, a dragonfly, a fish and a hurricane. After journeying through fantastic worlds filled with magical beings, they end up in the mind of a girl sitting on a stoop in the middle of a busy city. The look of the wizard merges with the cosmos through the girl's eyes.

UNDER THE SOFA

SOTA EL SOFÀ

By **Silvia Cortés**

Written by **Marta Alonso, Jordi Ventura, Llorenç Español**

Cast

Produced by **Teidees Audiovisuals**

Sales Agent **Contact producer**

Three forgotten, rejected and lost objects - a toy figure, a nibbled-on cookie and a picture, plus a native dustball - live together under a sofa left behind in an attic. Their favorite pastime is explaining on the Net what they do and how they do it, like real YouTubers. Soggy, Chippy, Dusty and Laroid are all outsiders, (forgotten, abandoned, disowned, set apart and filed away), living complicated, and in no way boring existences. They are housemates; oblivion survivors who have ceased to be invisible by bringing their exciting worlds to life on the Internet.
