Aupa, Odo, Koke, Bing and Koma are born of children's drawings and come alive as 3D animated characters. They are living daily adventures in the home of 'the nice family'.

While the family is out of the house, the Crayons jump out of the drawings pinned on the walls and explore the universe of the household, full of discoveries and great adventures.

Any small item can turn into a miracle. No matter what our friends do together, any situation can escalate to epic dimensions!

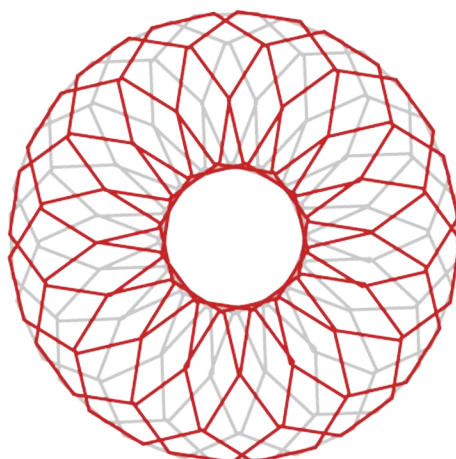

Every Crayon is strongly attached to a typical children's emotion or state of mind and as children's drawings are not perfect, the characters are just authentic misfits. But nobody is perfect, and imperfect is fun!
