Produced by **ECIB (Escola de Cinema de Barcelona)**

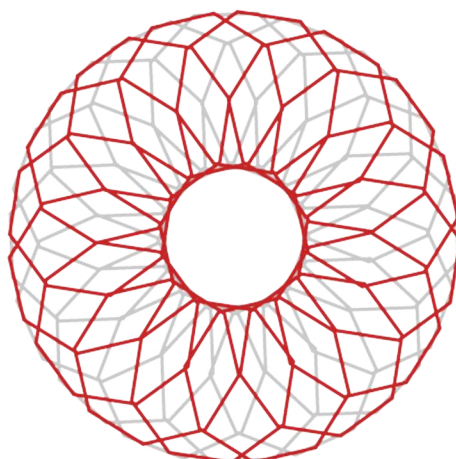

Sales Agent **Contact producer**

Canis lupus is a documentary with an author's point of view. It is a critical and ironic film about the need to have pets in contemporary society. A reflection through picturesque personages related to a luxury dog groomer in Barcelona, where the dogs are groomed and dressed up in the latest fashion. Discover how we have turned the big bad wolf of fairy tales into a Chihuahua in a tutu.
