Cast

Produced by **AVED Produccions**

Sales Agent **Contact producer**

A palindrome is a word or sentence that reads the same backwards as forwards. At first sight, there seems to be no secret involved, but there is a bunch of people from all over the world who live for the creation and study of this literary filigree, trying to transcend language itself. To *the palindrome!* is a fascinating journey through the minds of these characters and their peculiar vision of reality.
