TOMORROW

By **Andrew Tarbet**

Written by **Andrew Tarbet**

Cast **Andreu Marull**

Produced by **Voodoo Productions**

Sales Agent **Feelsales**

Hounded by the memory of a violent event, a man abandons his family and farm to take a journey into an uncertain future. **Tomorrow** is a contemporary western that is both an examination of the man's struggle to answer for his guilt and a portrait of the deep friendship shared by him and his horse. It is a story about accepting the consequences for ones actions and in doing so, understanding what it truly means to be free.
